KEY FEATURES

Patented adjustable mesh seat back with comfortable, breathable mesh provides air flow throughout the workout to keep you cool and comfortable

Unique step-through design allows easy access

Lumbar pouch allows for hot or cold packs and supports low back.

Infrared remote control allows you to easily change your resistance during a workout.

The C531r features a state-of-the-art tri-color dot matrix display with Personal CardioAdvisor™ for accurate heart rate feedback. Multiple programs keep your workouts fresh.
